
nQueue Billback Gives Back
Donates 28 Bicycles to Toys for Tots

Tempe, Ariz., December 23, 2009 – In the spirit of the holiday season, nQueue Billback LLC and its employees have donated 28 bicycles and 10 helmets to the U.S. Marine Toys for Tots Foundation in Tempe, Arizona and Dayton Ohio. The program was led and the funds were donated by nQueue Billback employees and matched by the company. nQueue Billback is the leading provider of software-based information accountability, expense management and cost recovery systems.

“We are, collectively, an extremely fortunate group, and I couldn’t be more proud of our team for donating cash, time and energy to help those in need,” said Rick Hellers, President & CEO of nQueue Billback. Company employees devised the program, collected the funds, purchased the bicycles and arranged delivery with the U.S. Marine Corp.

Sixteen bicycles were donated to Toys for Tots in Tempe and 12 were donated in Dayton. Toys for Tots delivers toys to less fortunate youngsters at the holidays, along with a message of hope that will assist them in becoming responsible, productive, patriotic citizens. “These are extremely challenging times for many, and we wanted to make the holidays special for children who otherwise might not share in the joys of the season,” said Tyler Schuler, who is a Client Support Analyst in nQueue Billback’s Tempe Office.

The U.S. Marine Toys for Tots Foundation was extremely thankful. “This is really helpful and we are so thankful for your help. Because of nQueue Billback, 16 kids’ Christmases [in Arizona] will be a lot better,” said U.S. Marine Lance Corporal Carissa Williams. “We appreciate the donation and will also be sending a letter of thanks from Toys for Tots,” added Marine Sergeant Travis Flowers. “We have over 300 pickups this year and are really happy [nQueue Billback] and so many others are participating.”

“We have accomplished quite a bit this year, including completing a merger, achieving positive sales growth and developing some new products,” added Hellers. “This employee initiative really puts a nice cap on the year.”
