**nQueue Billback Adds Experience in Northeast**  
*Legal Industry Veteran Richard Walters Joins as  
Business Development Manager, Eastern Region*

---

**Tempe, Ariz., February 11, 2010** – nQueue Billback LLC, the leading provider of software-based information accountability, expense management and cost recovery systems today announced the addition of Richard Walters as Business Development Manager, Eastern Region. Walters is based in New York City and is responsible for business development throughout the Eastern United States.

Prior to joining nQueue Billback, Walters held senior sales positions at leading legal service providers, including almost 14 years in cost recovery. "Richard has years of direct experience providing cost recovery and expense management," said John Gilbert, Vice President, Sales & Marketing at nQueue Billback. "His consultative approach has benefited many law firms in the East, including some of the largest in the country."

Walters also provides nQueue Billback with a presence in New York City. "We have been on a strong growth curve since our merger early in the third quarter of 2009," said Rick Hellers, President & CEO of nQueue Billback. "We are thrilled to have the opportunity to bring aboard a business developer of Richard's stature who can deliver our message of Information Accountability throughout the eastern region."

"I look forward to building on nQueue Billback's success," said Walters. "Information Accountability is clearly the wave of the future as firms need to capture and leverage more data more effectively." nQueue Billback's Information Accountability, or iA, increases accuracy and understanding of data, improving efficiency through cost recovery, expense management, workflow and business intelligence.
